

# Adobe Privacy Center

We value your privacy and trust. The Adobe Privacy Center provides easy-to-find information on common privacy topics, including your choices about how we use information about you.

Click [here](#) for information on how Adobe is responding to the recent European Court of Justice decision regarding the U.S.-EU Safe Harbor Framework.

## Adobe Privacy Policy

The Adobe Privacy Policy describes the privacy practices of Adobe's websites, products, online services, and apps. If you are a resident of North America, your relationship is with Adobe Systems Incorporated, a United States company, and the laws of California and the laws of the United States apply. If you reside outside North America, your relationship is with Adobe Systems Software Ireland Limited, which is the controller with regard to your personal information, and the laws of Ireland apply.
