Bass Pro Shops, North America's premier outdoor and conservation company, announces plans for new destination retail store in Clifton Park, NY

The Great American Outdoor Store's fourth New York location will showcase vast assortment of quality gear at great prices supported by genuine, friendly expert service

CLIFTON PARK, N.Y. — Bass Pro Shops and Cabela's today announced plans for a new destination retail store in Clifton Park, N.Y. The outdoor retailer's fourth location in New York, the new 70,000-square-foot store will serve outdoorsmen and women in greater Albany and the Adirondacks region of New

York. Home to incredible natural landscapes, this part of the world also enjoys a rich history. A young Theodore Roosevelt grew up hunting and adventuring in the Adirondacks—experiences that cast profound influence over his life and career.

“The Adirondacks have played a huge role in our nation’s sporting heritage and our country’s world-leading history of conservation. We are honored to open our newest Bass Pro Shops in Clifton Park,” said Johnny Morris, noted conservationist and founder of Bass Pro Shops. “This location will not only pay tribute to the region’s past, but will proudly outfit the sportsmen, women and families who continue to enjoy the Adirondacks today. For that, we are humbled, excited and deep down proud.”

Located in one of the fastest growing counties in the state, Clifton Park is a major thorough-fare from New York City to Montreal. Sitting within the southern extent of the Adirondacks, Clifton Park lies en route for many tourists seeking adventure in in the region’s 6 million acres of mountains, lakes and springs.

The new Bass Pro Shops Outpost destination will offer the region’s most comprehensive selection of premier outdoor gear at low prices and with genuine, friendly expert service. In 2022, Bass Pro Shops was recognized as America’s Best Retailer for Camping & Outdoor Gear by *Newsweek*.

Like all Bass Pro Shops locations, the new store will feature a completely unique custom design. Envisioned as a tribute to the great sporting heritage of the region and a celebration of the sportsmen and women of New York, the store will build on the signature qualities that define the award-winning Bass Pro

Shops shopping experience combining retail with entertainment, outdoor education and conservation.

The store also will showcase industry-leading boat brands including TRACKER, NITRO, RANGER, SUN TRACKER, REGENCY and TAHOE. Built by Bass Pro's White River Marine Group, manufacturer of America's favorite fishing boats, the store's inventory will be tailored to the needs of fishermen in the region. In addition, the new location will display a wide assortment of new TRACKER OFF ROAD ATVs and side-by-side vehicles, America's fastest growing brand of off-road vehicles.

More than just a fishing and hunting store, the retail destination will offer equipment and clothing for all outdoor adventures, including hiking, backpacking, wildlife viewing, camping, and other related outdoor gear. A gift and nature center will feature a wide variety of outdoor-themed and related items, including Big Cedar Home & Cabin décor and accessories. Men's, Ladies' and Children's apparel sections will offer a wide assortment of brands including RedHead, TrueTimber, ASCEND, Worldwide Sportsman, and Natural Reflections, along with many more popular brands for greater selection, quality and value.

Immersive outdoor features

In addition to providing customers with the outdoor products they love, a team of talented artists and craftsmen will design the store's localized imagery to reinforce its immersive outdoor theme. The signature creativity and attention to detail are hallmarks of every experience from Johnny Morris, who is often referred to as, "The Walt Disney of the Outdoors" for his knack for creating amazing experiences that connect people with nature.

Unique exterior and interior motifs have branded Bass Pro Shops as visually appealing, high quality outdoor retail destinations that customers love. In addition to providing a fun outdoor experience indoors, Bass Pro Shops locations feature a large aquarium and water features stocked with native fish species, thousands of local antiques and artifacts, hundreds of trophy fish and wildlife mounts, and murals depicting local scenes.

Celebrating conservation and community

Conservation, another Johnny Morris trademark, and signature company value, will play an important role in the store's mission. The new location will host dozens of events throughout the year aimed at connecting new audiences – and particularly children – to the outdoors. Hands-on demonstrations and interactive activities will be offered such as “Gone Fishing,” an annual event which aims to introduce families to fishing through catch-and-release ponds, casting games and free fishing seminars with the goal of creating the next generation of conservationists. More than 100,000 kids caught a fish at Bass Pro Shops events last year alone, many for the first time. The store will also support local conservation organizations that protect wildlife and habitat.

Bass Pro Shops & Cabela's CLUB program rewards customers and supports conservation

The new location will also proudly showcase Bass Pro Shops CLUB, the outdoor industry's premier loyalty program recognizing the company's most loyal customers. Benefits available to CLUB Members include extra savings on gear with exclusive discounts, the ability to redeem points for free gear, and exclusive access to unique events – both in-store and at some of the top hunting and fishing destinations around the

world. CLUB Members play a key role in supporting Bass Pro Shops' conservation mission.
