Bass Pro Shops, North America's premier outdoor and conservation company, announces new destination retail superstore in Spring, TX

The Great American Outdoor Store's fourth Houston location will showcase vast assortment of quality gear at great prices supported by genuine, friendly expert service

SPRING, Texas —Bass Pro Shops and Cabela's today announced plans for a new destination retail superstore in Spring, Texas.

Bass Pro Shops' 16th Texas location and fourth serving the greater Houston market, the new 125,000-square-foot store

will bring the company's trademark selection of premier outdoor gear at low prices and with genuine friendly, expert service to an area rich in outdoor recreation and sporting heritage.

"Our newest Bass Pro Shops in Spring strengthens our relationship with sportsmen and women across the great state of Texas. For more than 50 years, we been committed to conservation and to helping families spend time together outdoors," said Johnny Morris, noted conservationist and founder of Bass Pro Shops. "This location not only showcases that commitment, but outfits hunters, anglers and families for all of the great fishing, hunting and outdoor activities that east Texas has to offer. For that we are deep down excited."

Located on Interstate 45—a thoroughfare between Dallas and Houston, Spring lies on the northern extent of metropolitan Houston. The new Bass Pro Shops Outdoor World superstore will not only offer convenient access to thousands of vehicles each day, but bring the widest selection of hunting, fishing and outdoor recreation gear in the industry with an inventory tailored to the region.

Like all Bass Pro Shops locations, the new store will feature a completely unique custom design. Envisioned as a tribute to the great sporting heritage of the region and a celebration of the sportsmen and women of Texas, the store will build on the signature qualities that define the award-winning Bass Pro Shops shopping experience combining retail with entertainment, outdoor education and conservation.

The store also will showcase industry-leading boat brands including TRACKER, NITRO, RANGER, SUN TRACKER, REGENCY and TAHOE. Built by Bass Pro's White River Marine Group, manufacturer of America's favorite fishing boats, the store's

inventory will be tailored to the needs of fishermen in the region. In addition, the new location will display a wide assortment of new TRACKER OFF ROAD ATVs and side-by-side vehicles, America's fastest growing brand of off-road vehicles.

More than just a fishing and hunting store, the retail destination will offer equipment and clothing for all outdoor adventures, including hiking, backpacking, wildlife viewing, camping, and other related outdoor gear. A gift and nature center will feature a wide variety of outdoor-themed and related items, including Big Cedar Home & Cabin décor and accessories. Men's, Ladies' and Children's apparel sections will offer a wide assortment of brands including RedHead, TrueTimber, ASCEND, Worldwide Sportsman, and Natural Reflections, along with many more popular brands for greater selection, quality and value.

Immersive outdoor features

In addition to providing customers with the outdoor products they love, a team of talented artists and craftsmen will design the store's localized imagery to reinforce its immersive outdoor theme. The signature creativity and attention to detail are hallmarks of every experience from Johnny Morris, who is often referred to as, "The Walt Disney of the Outdoors" for his knack for creating amazing experiences that connect people with nature.

Unique exterior and interior motifs have branded Bass Pro Shops as visually appealing, high quality outdoor retail destinations that customers love. In addition to providing a fun outdoor experience indoors, Bass Pro Shops locations feature a large aquarium and water features stocked with native fish species, thousands of local antiques and artifacts, hundreds of

trophy fish and wildlife mounts, and murals depicting local scenes.

Celebrating conservation and community

Conservation, another Johnny Morris trademark and signature company value, will play an important role in the store's mission. The new location will host dozens of events throughout the year aimed at connecting new audiences – and particularly children – to the outdoors. Hands-on demonstrations and interactive activities will be offered such as “Gone Fishing,” an annual event which aims to introduce families to fishing through catch-and-release ponds, casting games and free fishing seminars with the goal of creating the next generation of conservationists. More than 100,000 kids caught a fish at Bass Pro Shops events last year alone, many for the first time. The store will also support local conservation organizations that protect wildlife and habitat.

Bass Pro Shops & Cabela's CLUB program rewards customers and supports conservation

The new location will also proudly showcase Bass Pro Shops CLUB, the outdoor industry's premier loyalty program recognizing the company's most loyal customers. Benefits available to CLUB Members include extra savings on gear with exclusive discounts, the ability to redeem points for free gear, and exclusive access to unique events – both in-store and at some of the top hunting and fishing destinations around the world. CLUB Members play a key role in supporting Bass Pro Shops' conservation mission.
