

Bass Pro Shops, North America's premier outdoor and conservation company, announces new mega Outdoor World Destination Retail Store to serve the Tucson area

New mega outdoor world destination retail store will offer assortment of quality gear at great prices, supported by genuine, friendly expert service for sportsmen and women

TUCSON, Ariz. (September 20, 2023) – Bass Pro Shops announced today plans for a new destination retail store in Tucson, Ariz.

The opening of the Outdoor World will mark the third Bass Pro Shops location in Arizona, as it continues to expand its presence to serve the passionate sportsmen and women in the Southwest with the widest selection of quality products at the best prices around, providing genuine, friendly expert service.

“We are very excited about this opportunity to strengthen our relationship with the sportsmen and women of southern Arizona,” said noted conservationist and Bass Pro Shops founder Johnny Morris. “This new store will make it easier for the people and families who love to hunt and fish Arizona’s deserts and waterways to spend time together in the great outdoors.”

Bass Pro Shops looks forward to partnering with the City of Tucson to bring the widest selection of hunting, fishing and outdoor recreation gear in the industry with an inventory tailored to the region.

“I am excited to welcome Bass Pro Shops to Tucson,” said Tucson Mayor Regina Romero. “Tucsonans have a love for the outdoors and choose to live here because of our beautiful mountains and access to outdoor recreation. Our thriving ecotourism industry is creating jobs, it is good for our economy and is attracting retailers like Bass Pro Shops to Southern Arizona,” said the Mayor.

The new retail destination will be conveniently located off I-10 as an anchor of Marketplace at the Bridges. Frank Egan, President of Tucson Retail, LLC said, ““Our team has worked for over 15 years to develop Marketplace at the Bridges into a first-class project for the City of Tucson. Bass Pro’s commitment to our site has secured our position as Southern Arizona’s premier retail, entertainment, and hospitality destination.”

The World Leader in Fishing and Boating

In addition to a vast assortment of fishing and outdoor gear for those fishing the Santa Cruz Watershed, the store will showcase industry-leading boat brands, including TRACKER, NITRO, RANGER, MAKO, SUN TRACKER, REGENCY and TAHOE. Built by Bass Pro’s White River Marine Group, the World’s Best-Selling

Boats are sold factory direct at money-saving prices. The store's inventory will be tailored to the needs of hunting and fishing in the region. In addition, the new location will display a wide assortment of new TRACKER OFF ROAD ATVs and side-by-side vehicles, America's fastest growing brand of off-road vehicles.

More than just a fishing and hunting store, the retail destination will offer equipment and clothing for all outdoor adventures, including hiking, backpacking, wildlife viewing, camping, and other related outdoor gear. A gift and nature center will feature a wide variety of outdoor-themed and related items, including Big Cedar Home & Cabin décor and accessories. Men's, Ladies' and Children's apparel sections will offer a wide assortment of brands, including RedHead, TrueTimber, ASCEND, World Wide Sportsman, and Natural Reflections, along with many more popular brands for greater selection, quality and value.

Immersive outdoor features

In addition to providing customers with the outdoor products they love, a team of talented artists and craftsmen will design the store's localized imagery to reinforce its immersive outdoor theme. The signature creativity and attention to detail are hallmarks of every experience from Johnny Morris, who often is referred to as "The Walt Disney of the Outdoors" for his knack to create immersive experiences that connect people with nature.

Unique exterior and interior motifs have branded Bass Pro Shops as visually appealing, high-quality outdoor retail destinations that customers love. In addition to providing a fun outdoor experience indoors, Bass Pro Shops locations feature a large aquarium and water features stocked with native fish species, thousands of local antiques and artifacts, hundreds of trophy fish and wildlife mounts, and murals depicting local scenes.

Celebrating conservation and community

Conservation, another trademark of Johnny's and a signature company value, will play an important role in the store's mission. The new location will host dozens of events throughout the year aimed at connecting new audiences – and particularly children – to the outdoors.

Hands-on demonstrations and interactive activities will be offered such as “Gone Fishing,” an annual event which aims to introduce families to fishing through catch-and-release ponds, casting games and free fishing seminars with the goal of creating the next generation of conservationists. More than 100,000 kids caught a fish at Bass Pro Shops events last year alone, many for the first time. The store also will support local conservation organizations that protect wildlife and habitat.

10% Discount Every Day to Honor Those on the Front Lines

Bass Pro Shops recently announced the expansion of their Legendary Salute Program honoring veterans, active military, law enforcement officers, firefighters, and state fish and wildlife agency employees, doubling their discount to 10% on almost everything in all Bass Pro Shops and Cabela's locations in the United States and Canada (with a 5% discount on firearms and ammo). This program honors those who have or are currently serving on the front lines in Arizona and throughout the country who defend our freedoms including our opportunities to hunt, fish and spend time in the great outdoors.

Bass Pro Shops CLUB program rewards customers and supports conservation

The new location also will proudly showcase Bass Pro Shops CLUB, the outdoor industry's premier loyalty program recognizing the company's most loyal customers. Benefits available to CLUB Members include extra savings on gear with exclusive discounts, the ability to redeem points for free gear, and exclusive access to unique events – both in-store and at some of the top hunting and fishing destinations around the world. CLUB Members play a key role in supporting Bass Pro Shops' conservation mission.

Bass Pro Shops: Celebrating more than 50 Years as the World's Leader in the Great Outdoors

Last year, Bass Pro Shops celebrated 50 years of serving those who love the great outdoors. As an avid young angler Johnny Morris started Bass Pro Shops with passion from a single location in an 8-square-foot section of his dad's liquor store in Springfield, MO. Today the company enjoys the support of the most dedicated customer base in the outdoors. Bass Pro Shops has long been recognized as the World's Leading supplier of premium fishing tackle and adds to that by recently being voted America's #1 Retailer for Camping & Outdoor Gear.

"Bass Pro Shops will be a welcome addition to the Tucson Marketplace at the Bridges," said Tucson City Ward 5 Councilman Richard Fimbres. "We are excited to be the chosen location for this destination retailer that will draw thousands of visitors each month to our city."

Bass Pro Shops' dedication to offering the widest selection of quality products at the best price and to providing genuine, friendly expert service lie at the foundation of the company's culture. Bass Pro Shops, named by Forbes as "one of America's Best Employers" is expected to employ more than 115 "Outfitters" at its new Tucson location, many of whom will come from the local region. The new retail store is expected to open in late 2024. To
